The **Capital Meets Policy Dialogue™** **(Annual Flagship Programme)**

The Capital Meets Policy Dialogue is Asia's premier annual summit between senior policymakers and major capital providers. It brings the most influential voices on both sides together to debate solutions to the most pressing issues facing capital investment, value creation and policymaking. Woven intentionally close to a technology theme with high potential for growth and value creation, the dialogue aims to inform and develop an early outlook for the coming year.

Agenda
